What's Going On in TRI & Beyond

New Chapter Formed:

—FL-3, of Kissimmee, Florida, led by Chapter Director John Hurd.

TRIKES! Correction

—Due to an advertising team mistake, the advertisement for Neosho Fiberglass in the Summer issue was incorrect. The ad *should not* have featured a special trailer program. Our sincere apologies to Neosho Fiberglass and to all readers.

Lehman Trikes Announces 2009 Good Turn Trike Recipient

Lehman Trikes is proud to announce that Chad Pierson, of Hubbard, Iowa, is the 2009 Good Turn Trike recipient.

Two years ago, Chad was diagnosed with Parkinson's disease and, recently, the disease has started to affect his balance on his motorcycle. Despite the onset of the disease, Chad continues to help others by donating enormous amounts of time to charities, organizations, and rallies. Chad's positive personality attracts friends wherever he goes and he has remained an inspiration to the many people he meets.

"We are so honored to have Chad as this year's recipient," states Ken Hines, Executive Vice President of Lehman Trikes, "Our Good Turn Trike program is the highlight of our year. It's truly a great feeling to be able to help an individual like Chad who does so much for others and has made such an impact in their lives. He's an inspiration to all of us."

The Good Turn Trike is a program sponsored by Lehman Trikes that converts the recipient's motorcycle into a trike. The recipient is a person who, despite physical or financial means, continues to make a positive impact in the lives of others and illustrates the program's motto of "one good turn deserves another". The "Good Turn Trike" idea originated in the mid-1990s when a lady called Lehman about her husband, Bob, and his love

of motorcycles. Bob's leg amputation and deteriorating health made it impossible for Bob to do the one thing that he truly loved, riding. Lehman Trikes generously decided to install a conversion kit on Bob's bike including needed special equipment at no charge. [Applications are accepted throughout the year and are available at Lehman dealerships and the Lehman Trikes website (www.lehmantrikes.com).]

This year, Timm's Trikes of St.

Charles, Minnesota will be installing a Lehman Trikes Renegade conversion onto Chad's 2004 Harley-Davidson Electra Glide. "We are thrilled to be a part of such a great program and to help out such an extraordinary individual," stated Al Timm, owner of Timm's Trikes.

For more information on Lehman Trikes, call (605) 642-2111 or visit www.lehmantrikes.com.
