

Lehman FLH Trike and RSD Fat Boy in 2009 Kids & Chrome Auction

KIDS & Chrome is marking its 5th anniversary in 2009 with the auctioning of both a trike and a bike during the Sturgis Motorcycle Rally.

The trike being auctioned is a 2009 FLH conversion donated by Lehman Trikes and Black Hills Harley-Davidson, while Jim and Monica Burgess are donating a 2009

Harley-Davidson Fat Boy customized by Roland Sands Design (RSD). Jim Burgess is one of Black Hills Harley-Davidson's partners and Board President of Kids & Chrome Foundation, Inc.

"We at Lehman Trikes are extremely honored to be a part of this wonderful event and the benefit it brings to the Children's Home Society

and the Sturgis Motorcycle Museum & Hall of Fame," said Ken Hines, Executive Vice President of Lehman Trikes, and Roland Sands of RSD shared Hines' sentiments. "It's great to work with the folks at Kids & Chrome. I've been to the events for quite some time and I will do everything I can to help the cause."

"Even during these past few years of challenging economic times, the motorcycle community has shown up to support charity events across the country, and they've shown up by the hundreds each August in support of Kids & Chrome," said Ronda Gusinsky, Kids & Chrome's Executive Director. "We are pleased to again have the opportunity to invite them to join us in support of this year's 5th Anniversary Kids & Chrome on Wednesday, August 5th, 2009, at the Spearfish Holiday Inn and Convention Center, Spearfish, South Dakota."
